We will need the DDCI's permission to host a group of faculty members from 10:00 - 11:30 on 29 June. They are in Washington attending a Workshop sponsored by the Consortium for International Studies Education (a subsidiary of the International Studies Association). They would like 1/2 hour on the Agency [Redacted] has volunteered) and an hour on the Far East -- (OEA is willing to provide a briefer). Incidentally, this request is direct fall-out from the Scholar-Diplomat session on the 15th as one of the Scholar/Diplomats is responsible for setting up the program for the Workshop (which is being held at American University). Thanks.
